Who We Are

We are a leading orthopedic implant and instrument manufacturer based out of India. With a focus on innovation and precision, we specialize in producing high-quality orthopedic implants and instruments for surgical procedures.

Our extensive product range includes joint replacements, fracture fixation devices, spinal implants, and trauma implants, among etc. Committed to the highest standards of quality, we adhere to stringent regulatory guidelines and employ advanced manufacturing techniques. Through our dedication to research and development, we continuously strive to improve surgical outcomes and enhance patient care. With a strong presence in India and beyond, we aim to contribute to the advancement of orthopaedic healthcare globally.

MISSION

Our company is committed to delivering top-quality Orthopedic Implants and instruments that exceed industry standards to our valued clients in the market, enabling them to establish their strong customer base. By fostering mutual growth and collaboration, we aim to facilitate long-lasting relationship that drive business expansion and revenue growth for both our clients and the company.

VISION

Our vision is to become a global leader as Orthopedic Implant and instrument manufacturing company, renowned for unwavering commitment to timely delivery of quality products, unparalleled integrity, and fostering enduring relationships that drives mutual growth and business.

VALUES

Our business philosophy is built upon the foundational principles of Trust & Integrity, Quality, Transparency, Committed growth. These values guide our decisions, actions, and interactions, shaping the way we operate & engage with our stakeholders.

Trust & Integrity

We place a paramount emphasis on trust and integrity in all our B2B interactions. We believe that trust is the foundation of successful partnerships, and we strive to earn and maintain the trust of our business associates. We conduct ourselves with honesty, fairness, and ethical practices, ensuring that our partners have complete confidence in our words and actions. By fostering a culture of trust and integrity, we aim to establish long-term collaborations based on mutual respect and reliability.

Quality

We are dedicated to delivering exceptional quality in every aspect of our B2B operations. Our Orthopedic implants and instruments undergo rigorous quality control processes to ensure they meet the highest industry standards ensuring precision, performance, and reliability.

Transparency

We are dedicated to delivering exceptional quality in every aspect of our B2B operations. Our Orthopedic implants and instruments undergo rigorous quality control processes to ensure they meet the highest industry standards ensuring precision, performance, and reliability.

Committed Growth

By fostering a culture of committed growth, we aim to drive mutual success and create sustainable value for our partners, since we view our collaborations with B2B partners as long-term relationships.

We aspire to be a trusted and preferred partner in the Orthopedic industry, providing our B2B clients with the highest level of integrity, quality products, transparent collaboration, unwavering commitment, and the confidence to rely on us as their strategic supplier.

WHY US

Choosing us as a partner means aligning with a trusted and reliable manufacturer that prioritizes quality, offers an extensive product range, ensures regulatory compliance, provides exceptional support, maintains trust & transparency, and aims for building long term relationships in the market & mutual growth.

Quality and Reliability:

Our commitment to quality is unmatched. As an ISO-certified Orthopedic implant and instrument manufacturer, we adhere to stringent quality control measures to ensure the highest standards in every product we deliver. Our offerings are reliable, safe, and designed for optimal patient care.

Extensive Product Range:

We offer a comprehensive range of Orthopedic implants and instruments, catering to diverse surgical needs. Our portfolio encompasses a wide variety of products, that allows you to meet the demands of the customers with ease.

CE Marking and Compliance:

We offer a comprehensive range of Orthopedic implants and instruments, catering to diverse surgical needs. Our portfolio encompasses a wide variety of products, that allows you to meet the demands of the customers with ease.

Trust & Transparency:

By maintaining transparency in our communication at every step, we empower clients to make well-informed decisions that enables them to have complete confidence in their choices and ultimately strengthens the foundation of our business relationships.

Growth Opportunity:

Our global network enables Customers to expand their market reach, from our established market presence and seize new business opportunities, unlocking growth potential and increasing the revenue streams.

COMPANY PROFILE

Since its inception in 2014, Nasco has emerged as a renowned and leading manufacturer of Orthopedic implants and surgical equipment. With an unwavering commitment to excellence, we have successfully served over 100 clients across multiple countries, including Sri Lanka, Vietnam, Kenya, Venezuela, USA, & Peru.

Our dedication to quality is reflected in our products, which are CE marked and ISO certified, ensuring compliance with the highest industry standards. We prioritize delivering reliable and innovative solutions that address the evolving needs of our stakeholders worldwide.

At Nasco, we understand the importance of being a trusted partner in growth and care. With a customer-centric approach, we focus on building long-term relationships based on mutual trust and understanding. Our dedicated team of professionals strives to provide exceptional service, tailored solutions, and timely support to our valued clients.

We take pride in contributing to the advancement of Orthopedic healthcare. Through continuous research and development, we stay at the forefront of technological advancements in the field.

Our commitment to innovation enables us to offer cutting-edge products that improve patient outcomes and enhance surgical procedures.

With a global footprint and a strong network, we are well-positioned to meet the diverse needs of our clients around the world. We take pride in our ability to provide comprehensive Orthopedic solutions that encompass implants, surgical equipment, and support systems.

Nasco's vision is to become a global leader as Orthopedic Implant and Instrument manufacturing company, known for its quality, integrity, and customer satisfaction that drives mutual growth and success.

As we move forward, Nasco remains dedicated to its core values and are committed fostering new partnerships and expanding our reach to make a meaningful impact on Orthopedic healthcare globally.
